2024 GRACI RESEARCH GRANT & GUIDELINES FOR APPLICANTS

The GRACI foundation is pleased to announce that applications are open for the 2024 annual grant round. We welcome applications from researchers residing in New Zealand (NZ) affiliated with a NZ research organisation or healthcare provider, and who are involved in gynaecological cancer research.

Grants will be available to any researcher residing in NZ and affiliated with a NZ research organisation or healthcare provider. Grants will be awarded to support New Zealand research in gynaecological cancer in accordance with the documented goals of the GRACI foundation.

- *To improve outcomes for New Zealand women with gynaecological cancer.*
- *To support infrastructure for clinical research into the treatment or prevention of gynaecological cancer in New Zealand women.*
- *To support New Zealand researchers in the field of gynaecological cancer.*
- *To promote the conduct of new research in the field of gynaecological cancer.*

In 2024 there are 2 grant categories:

1. Open to any gynaecological cancer research in New Zealand. Grant funding up to \$80,000.00 available.

Within this category there are two Grants available:

- A. Any Gynaecological Cancer research Grant - \$40,000.00 Graci Research Grant – Grant Ref: GRACI2401
- B. Any Ovarian Cancer research Grant - \$40,000.00 sponsored by **Ovarian Cancer Foundation New Zealand** - Grant Ref: OCFNZ/GRACI2402

2. Low-grade serous ovarian cancer grant – sponsored by **Ovarian Cancer Foundation New Zealand**. A grant for up to \$40,000.00 toward projects specifically investigating low-grade serous aetiology, prevention or treatment. Applications may include pilot/feasibility studies and new technology/methodology development. Grant Ref: OCFNZ/GRACI 2403
